 Overstressed? Three fresh hotel spas are perfectly located to let you escape for an hour, a day, or longer!

THE SPA AT TERRANEA
 With its breathtaking sunrise-to-sunset ocean views, it's fitting that **The Spa at Terranea**, a new 50,000-square-foot wellness complex

BLISS
 The perfect antidote to awards-season fatigue? The just-opened **Bliss Hollywood at the W** hotel, where you can pop in for a "Hangover Herbie"—body wrap, gentle facial and massage—to work out the kinks and help you put your best face forward for the photogs. Two movie-while-you-manicure stations (DVD library, personal plasma TVs and headsets) let you view the competition while sharpening your claws. blissworld.com/spa.

PALM SPRINGS YACHT CLUB
 The newly renovated **Palm Springs Yacht Club at the Parker Palm Springs** still hews to a nautical theme, but an expanded pool area, British colonial décor and rich touches inspire more lounging than lunging. Leather sofas, gourmet chocolates and belly-forward for the bourbon (a little alcohol before that rubdown?) welcome you. Stressed landlubbers can yoga their way to nirvana under a giant raj-style tent or idle awhile at the coed pool. All hands on deck! theparkerpalmsprings.com.

Brentwood, Ho!

A slew of new beauty locales bombards the Westside

A recent influx of big-name beauty bizzes is giving Brentwood its own makeover. Bev Hills heavyweights like brow haven **Anastasia** (1) 11933 Wilshire Blvd., 310.479.8300) and **Bellacures** nail salon (2) 11712 Barrington Court., 310.295.0016) have opened second outposts there. "I needed a place to serve my Westside clients who were having difficulty popping in due to the traffic," says Anastasia Soare of her new 3,100-sq.-ft. salon. "Brentwood is beautiful, but it's needed new concepts in beauty for a while." Helping fill that gap are **Drybar** (3) 11677 San Vicente Blvd., 310.442.6084), specializing in blowouts, and **Studio Alexandria** (4) 11740 San Vicente Blvd., 310.492.5070), the city's first salon dedicated solely to sugaring. So why Brentwood? "It's a well-established, highly beauty-conscious community," says Bellacures owner Samira Asemanfar. "Given the opportunity, they would prefer not to drive east of the 405 for their errands." —A.J.
