新開幕的Studio Alexandria LA位於洛杉磯鬧區正中央的Brentwood。這座佔地1000平方呎的SPA將歷史悠久的脫毛蜜蠟技術在兼顧衛生與環保前提下，改良為一種具鎮靜心靈的除毛藝術。這種獨一無二的療程源自於Linda Kennedy的創新構想；Linda Kennedy是Studio Alexandria LA的創始人兼總裁，在蜜蠟脫毛這塊專業領域已有超過二十年的經驗。Kennedy的創意是混合各種有機成分、做成具黏性的糖膏球，接著將糖膏球敷在皮膚上，然後無痛地由毛根拔除毛髮。療程後不但膚質細緻光滑，這項技術還可減緩毛髮生長速度、新生毛髮變細，並且淡化毛髮色澤。完全天然療程去除了過敏、倒生毛、以及不必要的不適感，所以，也可以用在腋下跟眼部這類敏感部位。帶著修飾過完美眉型從工作室走出來，視線裡再也看不到毛髮殘梗。修眉五十元。

Right in the heart of downtown Brentwood lies the newly opened Studio Alexandria LA. The 1000-square foot spa has revived the ancient art of body sugaring into a soothing technique for hygienic and environmentally friendly hair removal. This one-of-a-kind process is the brainchild of founder and president Linda Kennedy, whose career in professional body-sugaring therapies spans over twenty years. Kennedy's creation is a sticky ball of sugar paste made of organic ingredients that is applied to the skin to painlessly remove hair from the root. The result is smooth, exfoliated skin, with re-growth that is slower, finer, and lighter in color. This all-natural process also eliminates irritation, ingrown hair, and unnecessary discomfort, making it ideal for even sensitive areas like underarms and face. We walked out of the studio with perfectly groomed brows, nary a fine hair or stubble in sight. **Brow shaping, \$50.**
